Welcome to Sacred Heart Primary School!

We are a co-educational Primary School located in the east end of Glasgow. We are proud of our local community and the strong links we have established with them.

Our **Primary School** includes classes Primary 1 to Primary 7 and our team of teachers and supporting staff provide tailored, engaging learning experiences for our learners in line with Scotland's ***Curriculum for Excellence***. Children are encouraged to flourish in their learning through experiencing challenge and support, and as a team we are committed to meeting the needs of our learners in line with the policy ***Getting It Right for Every Child***.

Our school day begins at **9am** and ends at **3pm**. Our school playgrounds are supervised from **8.45am**.

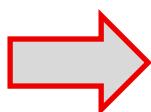

Children can attend **Breakfast Club from 8am** in our school hall and over the course of the year a number of afterschool clubs also run to provide children with further, wider experiences in their learning and opportunities to experience success and achievement.

Our school is a **Roman Catholic Primary** in which our learning and approaches are informed by and closely linked to Gospel Values. We share close partnerships with the **Parish of Sacred Heart** and regularly attend Mass as a whole school.

We are delighted to welcome you to our school community – our '**Sacred Heart Family**' is a vibrant, diverse, exciting and nurturing place to be in which our families and young people feel that they belong.
